Beecher read a long letter of his to Mrs. Moulton, containing this sentence: "We accept your proposition for a mulical council of the churches and will listen to their fraternal advice." of his friends, Mr. Bowen's clerk sterned up to him and whispered "I sir, in the suit of Henry C. Bowen." Mr. Beecher, stepping aside, said, pers in the presence of witnesses." The elerk answered that it was not

and said he should be on hand.

A correspondent of the New York World calls attention to the fact that the twenty-six Western and Southern States have a population of 23 918,744, and a total representation in Congress of 190. The New England States, together with Delaware, Maryland, New York, New Jersey, Pennsylvania, have a population of 13,204,411, and a Congressional representation of 95. There are fourteen Western and Southern Democratic Governors, seven Eastern; the West and South have sent twenty-one Democratic Senators to Washington, the East six; the Western and Southern States have con- in Laurel county, and intend having to a business partnership, under the tributed one hundred and thirty-five votes to the Democratic majority in brother, H. P. Mays, who has been a the House, the Eastern States forty; including Delaware, Maryland, New Jersey, New York and Pennsylvania among the " Eastern States," the West and South have one hundred and sinety votes in the House; the East ninety-five.

Senator Key was serenaded by the Chattanboga Turn erein the night before he left for Washington, and made a very pretty speech to them in response. The Commercial, announcing bis departure, speaks thus kindly, truthfully and compliator is, while altogether undemon- Detroit: strative, one of the best society men State, will watch his Senatorial cas advice his end would not have been and judgment. reer with lively interest, because so deplorable. Postal Department Report. Prom the New York Tribuin

Washington, Nov. 21.-The Postmaster-General's report will contain few recommendations to Congress Mr. Jewell will refer to the operations of the Department during the year in terms of satisfaction, will recite the changes and improvements in the manner of making contracts and the transportation of the mails, most of which have been reported from time to time, and will call attention to the very creditable finanapproves in the most earnest manner. A portion of his report will also be devoted to the new system of May 26 n12-tf. prepaying newspaper postage and its operations. No change in the

method will be recommended. The

Postmaster-General looks with regret upon the practice of postmasters wife, (the girls were children of a from \$1,500 to \$4,000, who devote who receive large salaries, ranging only a few hours each day to their daties. He strongly condemns such officers as come to their offices late in the afternoon, hastily turning over their mail, signing such documents as require their official signatures, then leaving their duties to subordinates and giving their time to their private pursuits. Mr. Jewell is of the opinion that officers paid by the Government should give their whole time to the Government, and that those who cannot do this ought to retire, In this respect he will, without probably intending it, hit sundry Administration editorial postmasters what is known as the "third class matter," upon which the rate was so

unreasonably increased during the last session of Congress, the Postmaster-General will make some important recommendations. The presand packages is a cent an ounce, or much as the original cost of the paper. Mr. Jewell will recommend a return to the old rates, namely : half | sell all kinds of produce and make liberal advances. a cent an ounce on newspapers, but will ask that the law remain as it is in regard to other articles except, perhaps, books, and upon this he has

not yet decided. Report of the Secretary of the Treasury.

Special to the Chefmati Gazette, Nov. 26. The Secretary of the Treasury has read portions of his annual report others. The report will be as unversal and pronounced in favor of called for Miss Willie, who was with advocate of resumption could disire,
